**INSTRUCTIONS FOR CERTIFICATE OF APPROVAL FOR  
CONTINUED OCCUPANCY**

Thank you for contacting the City of Rahway Division of Property Maintenance to obtain a Certificate of Approval for Continued Occupancy (CACO). **Note, the instructions below have changed effective March 2022.**

Due to an abnormally high demand for Certificates of Approval for Continued Occupancy and the time needed to address prerequisites (Zoning and Building permits and violations), we strongly encourage applicants to submit complete applications at least **2 to 3 weeks prior to closing.**

Please follow the instructions below carefully using the referenced documents. Incomplete submittals will result in delays for inspections and the issuance of Certificates.

There is currently ONE (1) application form for all property types (residential, commercial, retail, multi-family and multi-use). Please read the form carefully and complete all sections except “*Below For Office Use Only*”

**Application Instructions**

2. Send scanned copies of the completed application and check/money order to [propertymaintenance@cityofrahway.com](mailto:propertymaintenance@cityofrahway.com). **Mailed originals result in delays.**
3. A representative or inspector will contact you within 5 business days to schedule an inspection.
4. **At the onset of the inspection please provide:**
  - **2 completed copies of your application,**
  - **Fee (check or money order) for the application/inspection.**
  - Your receipt for the fee payment and the inspector’s notes will be added to one copy of the application for your file/use. The other copy will be used for the City’s file.
5. Following the inspection, the inspector will prepare a report with his/her findings. The report will be emailed to you if you provide an email address on the application, otherwise it will be mailed. Allow five (5) business days to receive the emailed report.
